STUDENT PAPER AWARDS

- Winner:** One winner and two honorable mentions per year.
- Sponsor:** GlaxoSmithKline
- Description:** Awards are presented to full-time undergraduate or graduate students who prepare the best technical papers that describe results related to engineering and sustainability.

Selection Criteria:

1. Technical merit: The student(s) needs to provide original experimental data and/or published facts.
2. Quality: The student(s) need to have the paper published (or to be published) in a refereed journal within the last year.
3. Results: The content of the paper needs to describe significant (to society) results.
4. Authorship: The student(s) needs to be the primary author(s)
5. Qualifications: The student(s) must be AIChE member(s), the SEF, and enrolled in an ABET accredited Chemical Engineering program. The student may submit an application to join SEF, if not already a member.

Application/Nomination Deadline:

April 29, 2011. Papers may be submitted directly by student(s), or nominated by local section chair, or an AIChE member. The original, signed manuscript and an e-mail copy of the paper with pertinent information are to be sent to:

SEF Awards Committee Chair
T.R. (Tom) Marrero, Professor
Department of Chemical Engineering
W2030 Lafferre Hall
Columbia MO 65211
E-mail: MarreroT@missouri.edu
Phone: 573-882-3802

Awards:

1. Up to three papers (One winner and two honorable mentions) will be selected each year; decisions are scheduled for June 3, 2011.
2. Student Award recipient will receive \$500 for travel expenses associated with attending the AIChE annual meeting, plus, a certificate of recognition.
3. Presentation: The awards are presented at the SEF luncheon during the AIChE Annual National Meeting.
4. Past Winner(s): This paper competition was initiated in 2008.
